

Emerald Exhibitor Housing Policy

Attention Exhibitors: Mandatory Housing Policy

Convention centers allocate exhibit space to shows based on the amount of hotel rooms picked up. Convention center management may and often will reject or reduce exhibit hall space requests because hotel rooms are not filled proportionately through the housing block. Therefore, to ensure our hotel block is full and that we receive the exhibit floor space needed for all exhibitors, we require all exhibitors to book housing through onPeak. **The guideline is to book a minimum of 2 room reservations and a maximum of 4 room reservations per 100 square feet of booth space rented.** All exhibiting companies are required to utilize onPeak to book hotel rooms. Any exhibitor who does not follow this procedure will not be permitted to exhibit and will forfeit all monies paid to HIMSS. Freight will be denied at show site. Please refer to your exhibition agreement for further information.

Emerald Hotel Allocations

Emerald hotel allocations (inclusive of suites) are as follows:

- **The Palazzo Resort Las Vegas:** 7 standard suites at \$315/night + taxes
- **The Venetian Resort Las Vegas:** 7 standard suites at \$315/night + taxes

If your block size is larger than the sum of the Emerald allocations above, the remainder of your rooms will need to be placed in non allocation hotels.

Emerald Hotel Requests Process

HIMSS26 Emerald initial requests are due on **Thursday, July 27, 2025, at 4 pm, CDT**. After this date, Emerald allocations noted above may be limited and will be offered based on availability. If you wish to make hotel reservations after this date, contact onPeak for assistance in making your reservations, based on availability. For a list of hotels, visit the [GroupSpot webpage here](#). Placement will be based on priority points and your identified choices compared to room availability. If none of your choices are available, onPeak will contact you to get additional choices. You may waitlist for your original choices with onPeak and every effort will be made to fulfill your request if it is possible to do so.

Exhibitor Blocks Procedure

All reservations may be held on a TBA basis until the following dates:

- **December 10, 2025:** Non Corp, Gold, & Platinum Corporate Members
- **December 17, 2025:** Emerald Corporate Members

Determining Room Block

HIMSS Room Block Allocation Pattern

Following is the HIMSS nightly flow to be used as a guide in determining your room block pattern for 2026.

WED	THU	FRI	SAT	SUN	MON	TUE	WED	THU	FRI	SAT
3/4	3/5	3/6	3/7	3/8	3/9	3/10	3/11	3/12	3/13	3/14
1%	2%	3%	10%	38%	98%	100%	94%	34%	2%	1%

For example, if you require 20 rooms on Tuesday you should block no more than 1 room (3% of 20) on the prior Thursday.

Block Increases Over 5%

Companies may block the same amount of rooms actualized at HIMSS25. An increase of more than 5% (per night), without a corresponding increase in booth size, over your 2025 final pick up will require HIMSS approval.

Securing and Managing Your Room Block

Credit Card Required to Hold Block

Reservations must be guaranteed with a major credit card within 7 days from receipt of your hotel confirmation email. The credit card must expire after the date of the event. Failure to do so will result in cancellation of your block.

Managing Your Room Block

You can manage your company's room block online by logging into the onPeak system from your confirmation. This portal allows you to change arrival/departure patterns, name assignments, and add or delete guests from your room block based on availability. While you can still make changes after the non-refundable date of Wednesday, January 21, 2026 at 4:00 pm, CDT, all cancellations must be

made before that date to avoid loss of one night room and tax deposit. (Two night deposit at Venetian and Palazzo).

Cutoff Blackout Dates Notice

To ensure the hotels receive accurate lists in a timely manner, onPeak will have blackout dates for manual changes from Wednesday, February 11 at 4:01 p.m. CDT through Monday, February 23, 2026. Depending on your hotel(s), all modifications to existing reservations are to be managed directly with the hotel(s) beginning Monday, February 23, 2026, through the close of HIMSS26.

Deposit, Cancellation, Attrition and Other Policies

HIMSS has a one-night room and tax deposit policy per reservation. The deposit for The Venetian and Palazzo is two nights room and tax. This deposit becomes non-refundable starting Wednesday, January 21, 2026 at 4:01 PM CDT. For further details on the policy see below and consult your individual hotel confirmation.

Deposit

Approximately fourteen (14) to twenty-one (21) days prior to start of event, the hotel, not onPeak, will charge your credit card a deposit equal to one night (or two) room plus tax, depending on your hotel(s) policy. This deposit is non-refundable as of Wednesday, January 21, 2026 at 4:01 pm, CDT. Credit cards will not be charged until final cut-off, by the hotel(s). You have two options for submitting a deposit payment:

1. After initially securing your block, you will be able to adjust payment to individual credit cards should you choose through the online portal until Wednesday, January 21, 2026 at 4:00 pm, CDT. Please note that the card on file as of Wednesday, January 21, 2026 4:01pm will be the card charged by the hotel for the non-refundable deposit and will not be refunded should the credit card be changed after this date.

2. After initially securing your block, if you wish to send a check or money order for the deposit (made payable to onPeak) you can follow up with this form of payment by Monday, January 5, 2026. After this date, only credit card deposits will be accepted.

3. **20+ Group ATTRITION:** As a courtesy, the companies of 20 or more peak rooms are allowed to release up to 10% of the total Group Room Block Nights held as of January, 21, 2026, without penalty. **After this date, cancellations will result in the deposit being retained and any reductions in length of stay greater than 10% apply to the following attrition policy.** At the end of the Event if the Company's Total Room Night utilization is less than 90% of the **Total Room Nights Reserved (as of January 21, 2026)** in the Group Room Block, Group agrees to pay Informa an amount equal to the difference between 90% of the Total Room Nights reserved in the Group Room Block and the actual number of Room Nights utilized by Company multiplied by the Confirmed Rate per night.
